

MOBILE FOOD MARKET

A Year in Review

An overview of our efforts to
bring healthy, affordable food
into Halifax communities in 2021

111,348 lbs

Weight of food distributed across the HRM through all Mobile Food Market programs.

Local Suppliers
36%

Loblaws
64%

43% of our food budget supported local producers.

181

Community food events were supplied with Mobile Food Market items

7,504

Produce packs distributed containing fresh fruits and vegetables, eggs, and bread

2,432

Orders placed at low-cost community markets

3,049

Hours contributed by volunteers,
2.5 times more than 2020

192

Individual volunteers who offered
their time, energy, and skills

29

Students who volunteered with the Mobile Food Market to gain experience in their field, learn in a hands-on environment, and get involved in their community.

3

Staff, including a manager, program coordinator, and program assistant.

This is the first year that the project has had more than 2 individuals as full-time staff.

Many hands make light work:
