

Market Assistant (North End)

Saturday Community Markets

About the Mobile Food Market

The Mobile Food Market (MFM) brings healthy, high-quality and affordable food to HRM neighbourhoods facing food-access issues. We get food into the community in three ways: mobile food markets, our Seniors Fresh Food Box program, and our bulk food delivery program. Our market program currently operates in two communities: Fairview and North End Halifax. We are looking for reliable individuals to join our team of Market Assistants who work with the market on Saturdays and support all aspects of the program.

The Role

This exciting role provides an opportunity to work on the ground in communities by providing support in the successful operation of our market days. Responsibilities include assisting in set-up and take-down, working cooperatively with community volunteers, greeting guests, handling cash, restocking produce, and working to ensure a safe and enjoyable experience for all. You are welcome to purchase from our great selection of fresh and affordable produce! This role is rewarding, rich in positive feedback and community building.

How We'll Support You

You will receive a general orientation in advance as well as one-on-one support from MFM staff on all market days.

What You Bring

You are highly dependable and feel comfortable working in a fast paced environment. You enjoy working with diverse communities and thrive in a team setting. You are capable of lifting boxes of produce and are willing to commit to a Saturday once a month as a Market Assistant.

Where and When

The North End Saturday shift has a commitment of 11:45am - 2:30pm, starting and ending at the North Memorial Public Library at 2285 Gottingen Street.

Next Steps

If this sounds like you, we would love to hear from you! Fill out our volunteer application form at www.mobilefoodmarket.ca/volunteer or contact our Community Engagement Coordinator at coordinator@mobilefoodmarket.ca.
