

Tuesday Market Cafe Server

North Dartmouth Community Market

The Mobile Food Market (MFM) brings healthy, high-quality and affordable food to HRM neighbourhoods facing food-access issues. We get food into the community in three ways: mobile food markets, our Seniors Fresh Food Box program, and our bulk food delivery program.

The Role

You will set up the cafe area, make, and serve coffee/tea. It will be important to keep everything clean, including wiping tables, and washing cups. You will also help to clean and close down the cafe area at the end of the market.

Where & When

Dartmouth Market shifts take place at the Mobile Food Market home, 26 Courtney Rd.

Every Tuesday.

The Cafe server shifts are from 4:00PM – 7:45PM

What You Bring

This is a great role for those who are outgoing and friendly, and who can be on their feet for the majority of the shift. You are comfortable making/ serving food and beverages, and you love making people feel at home. You like being part of a team, but are also happy to work independently.

How We'll Support You

MFM staff will be present for all shifts and will provide on-site training. Stools can be provided.
