

Tuesday Market Prep

North Dartmouth Community Market

The Mobile Food Market (MFM) brings healthy, high-quality and affordable food to HRM neighbourhoods facing food-access issues. We get food into the community in three ways: mobile food markets, our Seniors Fresh Food Box program, and our Bulk Food Delivery program.

The Role

Join us in rolling up our sleeves on Tuesday mornings to help prepare bulk produce for our Tuesday evening market at our home-space in Dartmouth. The Market Prep role involves weighing and bagging produce into smaller portions and helping to set up the space for the Market later in the day. This is a great role for those who like to work with their hands in a team environment.

Where & When

Dartmouth Market shifts take place at the Mobile Food Market home, 26 Courtney Rd. **Every Tuesday.**

The Market Prep shift is from 10:00am - 11:30am

What You Bring

First and foremost, you're reliable. You have good attention to detail and enjoy working alongside others. This is physical work, that involves handling and bagging food, generally 25lbs and under, carrying /setting up tables, chairs, market signs, etc.

MFM staff will be present for all shifts and will provide on-site training.
