

Tuesday Market Runner

North Dartmouth Community Market

The Mobile Food Market (MFM) brings healthy, high-quality and affordable food to HRM neighbourhoods facing food-access issues. We get food into the community in three ways: mobile food markets, our Seniors Fresh Food Box program, and our bulk food delivery program.

The Role

You'll be on hand to replenish the stock throughout the Market, to help customers when needed, and track inventory, making when an item sells out, and counting surplus when the market closes.

Where & When

Dartmouth Market shifts take place at the Mobile Food Market home, 26 Courtney Rd. **Every Tuesday.**

The Runner shifts are:
4:15PM - 8:00PM.

What You Bring

You will be on your feet for the majority of the shift. You are comfortable talking to customers. You like being part of a team, but are also happy to work independently. This role may be quite fast-paced at times, and requires the ability to switch from one task to another quickly, and to take initiative to solve small problems as they come up.

How We'll Support You

MFM staff will be present for all shifts and will provide on-site training.
